SALOTTI CHE RACCONTANO IL MADE IN ITALY

# NOEMI

Noemi è un divano che offre ampio spazio alla componibilità. E' un modello dalle linee ricercate: il bracciolo si posa sulla base del divano, evidenziato dalla linea in tinta o a contrasto, il poggiatesta disegna un ovale perfetto, il pouff universale, grazie al suo bracciolo, permette di trasformare un divano lineare in un angolo o fungere addirittura da mini poltroncina nel caso abbiate un ospite improvviso.
